Volume 21

Abortifacient activity in leaves, roots and seeds of *Phytolacca acinosa*, 31
Antimicrobial activity of selected plants employed in the Spanish Mediterranean area, 139
Antimicrobial activity of some medicinal plants of Surinam, 315
Arachidonic metabolism, modification of, by flavonoids, 209

Banana powder (*Musa sapientum* var. *paradisiaca*), effect of, on gastric mucosal shedding, 11
Biflavonoids of *Garcinia kola* seed, evaluation of the antihepatotoxic activity of, 127
Biopharmaceutical studies on crude drug preparations. I: Permeation of paeonol in a decoction and dry extract of *Paeonia suffruticosa* root cortex using an absorption simulator, 37
Blood sugar level, effect of different fractions of *Swertia chirayita* on, of albino rats, 175
Brahmi Rasayan, effect of, on the central nervous system, 65

Celastrus paniculatus seed extract, effect of, on the brain of albino rats, 307
Central nervous system, effect of Brahmi Rasayan on, 65
Coriandrum sativum, post-coital antifertility activity of the seeds of, in rats, 165
Corticosterone production by isolated rat adrenal cells, effects of ginsenosides, lectins and *Momordica charantia* insulin-like peptide on, 21
Corynocarpus similis Hemsley, plante alimentaire et toxique de Vanuata (ex-Nouvelles Hebrides), 189
Crotolaria incana pods, a magic use of, 187

Eugenia uniflora leaves, preliminary pharmacological studies on: xanthine oxidase inhibitory activity, 183
Flavonoids, modification of arachidonic metabolism by, 209

Garcinia huillensis, structure and chemotherapeutical activity of a polyisoprenylated benzophenone from the stem bark of, 75
Garcinia kola seeds, evaluation of the antihepatotoxic activity of the biflavonoids, of, 127
Ginsenosides, lectins and *Momordica charantia* insulin-like peptide, effects of, on corticosterone production by isolated rat adrenal cells, 21

Lactating women, use of khat in: a pilot study on breast-milk secretion, 85
Lectins, ginsenosides and *Momordica charantia* insulin-like peptide, effects of, on corticosterone production by isolated rat adrenal cells, 21
Les phytotherapies anti-infectieuses de la fôret-savane, Senegal (Afrique Occidentale) I. Un inventaire, 109

Khat, use of in lactating women: a pilot study on breast-milk secretion, 85

Maka Indians of the Paraguyan Chaco, medicine and magic among, 279
Mitogenic activity of lipopolysaccharide, effect of Shosaikoto, a Japanese and Chinese traditional herbal medicinal mixture, on the: a new pharmacological testing method, 45
Momordica charantia insulin-like peptide, ginsenosides and lectins, effects of, on coticosterone production by isolated rat adrenal cells, 21
Musa sapientum var. *paradisiaca* (banana powder), effect of, on gastric mucosal shedding, 11
Muscle relaxant actions of an aqueous extract of *Portulaca oleracea* applied topically, preliminary clinical investigation into, 91

Nepal, piscicidal plants of: preliminary toxicity screening using grass carp (*Ctenopharyngodon idella*) fingerlings, 1

Ocimum sanctum: an experimental study evaluating its anti-inflammatory, analgesic and antipyretic activity in animals, 153

Paeonia suffruticosa root cortex, permeation of paeonol in a decoction and dry extract of, using an absorption simulator: part I of biopharmaceutical studies on crude drug preparations, 37
Paraguyan Chaco, medicine and magic among the Mako Indians, of, 279
Phytolacca acinosa, abortifacient activity in leaves, roots and seeds of, 31
Piscicidal plants of Nepal: preliminary toxicity screening using grass carp (*Ctenopharyngodon idella*) fingerlings, 1
Pleurotus ostreatus mushroom, toxicologic and histopathologic studies of, in mice, 29
Portulaca oleracea, effects of extracts of, on skeletal muscle in vitro, 55
Portulaca oleracea, investigation into the mechanism of action of extracts of, 99
Portulaca oleracea, preliminary investigation into the muscle relaxant actions of an aqueous extract of, applied topically, 91
Post-coital antifertility activity of the seeds of *Coriandrum sativum*, 165
Pulsatilla alpina subsp. *apiifolia*, pharmacological screening of, 201

Saiko-keishi-to commercial formula, normalizing effect of, on cytochalasin-B distorted neurites using primary cultured neurons of rat cerebral cortex, 93
Sosaikoto, effect of, a Japanese and Chinese traditional herbal medicinal mixture, on the mitogenic activity of lipopolysaccharide: a new pharmacological testing method 45
Slavic ethnomedicine in the Soviet Far East Part I: Herbal remedies among Russian/Ukranians in the Sukhodol Valley, Primorye, 231
Spanish Mediterranean area, antimicrobial activity of selected plants employed in, 139
Surinam, medicinal plants of. IV: Antimicrobial activity of some medicinal plants, 315
Swertia chirayita, effect of different fractions of, on the blood sugar level of albino rats, 175

Tanzania, eastern, plants used in traditional medicine in. I: Pteridophytes and angiosperms (Acanthaceae to Canellaceae), 253
